

Sponsor the Arts!

MDSA Foundation 2023/2024 Sponsorship Form

MDSA Foundation is looking for local businesses who will sponsor the arts this year! In order to fulfill our needs of ADA modifications, purchasing an air conditioner, assisting those families who have financial hardships, along with needed program expansion, we rely exclusively on funding from community partners and donations from people just like you!

Whether you are an individual looking to help support an arts organization or a company looking to form a mutually beneficial relationship with us, your gift will allow us to better the community.

**Donations to the MDSA Foundation are tax deductible to the extent allowed by the law.
